Insolvency of Promoter.

21. (1) If, at any time after the opening of a tramway in a circle for public traffic, it appears to the road authority or local authority of the circle that the promoter of the tramway is insolvent, so that he is unable to maintain the tramway, or to work it with advantage to the public, and either of those authorities makes a representation to that effect to the Government, the Government may, if after considering any statement which the promoter may desire to make, and after such further enquiry as it deems necessary, it is satisfied as to the truth of the representation, declare, by notification in the Official Gazette, that the powers of the promoter shall, at the expiration of six months from the publication of the notification, be at an end; and the powers of the promoter shall cease and determine at the expiration of that period, except in so far as they may be purchased by a local authority in manner by this Regulation provided.
